

Atlanta's hottest new Party Concept and Gift Shop for Girls.

Atlanta's hottest party concept and gift shop for girls has arrived!

My Room Rocks, "a girls' design experience and more" is not a franchise but an original creation developed by a local mom and former Girl Scout leader of many years, Mary Sittler, along with the help of her three daughters. My Room Rocks (MRR) features unique interior design parties or walk-in design experiences. It also offers an eclectic gift shop tailored to girls of all ages including moms, grandmothers, teachers and even a few brother gifts. Mary named the store to reflect the excitement of her budding designers. After perfecting the brilliant idea for the past two years, Ms. Sittler has recently opened My Room Rocks at 10995 State Bridge Road, Johns Creek and already is attracting a loyal following.

My Room Rocks is all about creativity and design. It is a one-of-a kind party place that will spark any girl's imagination. At My Room Rocks, each girl gets to be a designer of her own bedroom (in miniature). The girls step into the My Room Rocks Design Center where they choose their wall color, window treatments, bedding, hand-made wooden furniture, accessories, and more. The choices are endless! The girls then sit at beautifully decorated tables that look like beds to assemble their miniature rooms. "I am always amazed by the creativity at these parties. I've seen everything from rooms with swings, clouds, jungle, poker, western, flower, and rock star themes. This is the one place girls can try out their designs without having to open a can of paint"! MRR also offers party "extras" such as realistic furry pets to put in the room, and extra furniture pieces. Also available are MRR t-shirts to be signed by party friends, and shopping sprees where the girls can buy their own party favors for as little as \$5. There is always plenty of assistance at the parties so the moms can relax and enjoy watching the creativity unfold. MRR also allows time for cake and gift opening. At the end of the party, each girl leaves with a beautifully designed box, with a carrying handle. As a testament to how much fun and engaging the design experience can be, MRR has already had many former party guests come back and schedule their very own MRR birthday parties! My Room Rocks parties start at \$240 for 8 girls and only \$25 for each additional guest/designer. Aside from parties, walk-ins are welcome and cost \$30 per designer. The MRR Gift Shop is unlike any other. MRR carries a huge selection of Vera Bradley school supplies and room decor, jewelry, hair bows, cell phone holders, closet organizers, sleep-over bags ... "cute, cute stuff". Not only does MRR have items for girls and women of all ages, it offers a variety of items representative of girls today. "It is not another pink diva 'frou frou' store. I strive to have gifts for girls with varied interest be it sports, music, animals, dancing, etc. I also try to find things that you don't find in other stores", explains Ms. Sittler, store-owner. MRR offers free gift bags with gift tags for purchases over \$10 - so there is no need to wrap or fuss. Gift registry is also available.

My Room Rocks is currently open 7 days a week for shopping and accepts walk-in designers. Hours are 10:00 - 6:00 Monday through Saturday and 12:00 - 5:00 on Sunday. My Room Rocks is located at 10995 State Bridge Road in front of Kroger and in between Papa Johns Pizza and McDonalds. For more information, please visit myroomrocks.com.
